

Public Notice - Security Perimeter Project

The Department of Homeland Security has awarded Chevron Pascagoula Refinery funds to install additional security systems within the Refinery. The three projects: Secure Area Shoreline Enhancement, Secure Area Northern Perimeter Hardening, and Sulfur Plant Hardening Projects, include guard houses, gates, and cameras mounted on existing and new structures within FEMA-designated floodplains. Floodplain capacity and wetland quality will not be significantly impacted. FEMA is accepting public comments at pasms@chevron.com until **May 3, 2017**. Maps of the project locations are available on pages 2 and 3 of this document.
