

# the human energy company™

## We're proud of our Pascagoula Refinery

- Chevron's largest domestic refinery
- One of top 10 largest U.S. refineries
- Produces more than 7 million gallons of gasoline every day
- Is the leading provider of jet fuel to Tampa Airport
- Primary provider of fuel oil for industrial and power use in the country of Panama
- Is a leading producer of premium base oils in the world

## We're proud of our industry

- The oil and gas industry has a unique ability to meet the world's growing needs
- Refinery operations enable us to develop the products we need to drive our cars, make our clothes and heat our homes
- The oil and gas industry supports productivity in everything from agriculture to healthcare

## we develop the energy that improves lives and powers the world forward

Our Pascagoula refinery manufactures fuels and other products sold under the Chevron®, Texaco® and Caltex® brands. The refinery can process approximately 369,000 barrels per day of crude oil to produce gasoline, jet fuel and diesel fuel. Our other products include aviation gasoline, petroleum coke, sulfur and fuel oils such as Liquefied Petroleum Gas (LPG).

The refinery's specialty products include benzene, used in the manufacturing of a wide range of products, including automobile tires, sporting goods, nylon and pharmaceuticals; propylene, used in the manufacture of plastics; and premium base oils, used in high performance lubricants, including motor oils for consumer and commercial use.

# we work to enable human progress

**Our vision is to be the global energy company most admired for its people, partnership and performance.**

## community investments

We contribute to local communities by making strategic social investments in four core areas; health, education, environment and economic development. In 2021, Chevron contributed more than \$900,000 to non-profit organizations, and supported more than 300 local charities, community events and youth programs. Pascagoula Refinery employees logged more than 3,300 hours volunteering in the community, and personally donated more than \$478,313. Chevron provided matching donations of \$556,606 to eligible non-profits.
